Term 2 Week 1

Friday 4 May 2018

Dear Parents and Carers,

Welcome back! It is wonderful to see the children return to school after their break – they have all quickly settled back into their classes and the school is very calm.

Today we held our Anzac Ceremony with students from Lomandra and guests from Queen Victoria Hospital in Picton. The students were amazing – they were respectful and calm throughout the service. Well done everyone.

Please note down the dates for our upcoming whole school assemblies. These fortnightly events allows us to showcase and celebrate our students' achievements. We love seeing families, friends and members of the school community at our assemblies.

I look forward to working with you all over the next term as students continue to work towards achieving their half-year goals. Semester 1 Reports will be sent home at the end of this term and it will be exciting to read all about the students' progress and success.

Warm Regards,

Jacquie Lockyer
Principal

Earn and Return Recycling Program

Our Year 12 students are collecting drink cartons, glass, plastic and aluminium bottles and cans to recycle at the Reverse Vending Machine in Campbelltown Mall - all money earned will go towards their Year 12 Farewell, held at the end of the year. This program allows our students to learn and practice important life skills as well as develop their independence.

If you would like to support our students in this wonderful initiative, you can drop off your drink containers to the school or send them in with your child.
